

**EVEREADY®** Portable Power Stations

**EVEREADY®** On the road or off the grid

A group of people are celebrating at night. In the foreground, a man in a dark blue button-down shirt over a white t-shirt is smiling and holding a lit sparkler. Behind him, another man is partially visible, also smiling. To the right, a woman in a white off-the-shoulder top is smiling and holding a glass of white wine. The background is dark with some out-of-focus lights, suggesting an outdoor night event.

**EVEREADY®** On occasion or just for fun

## All Purpose 450 key features

### Hours of extended battery life\*

Extend the battery life of your laptop, tablet, smartphone and drone, giving you the power to stay connected no matter how far your adventures take you.

### Flashlight

Flashlight with SOS and strobe settings so you are never left out in the dark.

### Bluetooth® speaker

Perfect for backyard parties, as well as to liven up the building site, or to get the camping party started.

### Power just about everything

With Type C port, 3x USB ports, 3x 12V DC jacks, DC auto outlet and 2x AC outlets, the All Purpose 450 allows you to charge and power mobile devices, drone batteries, lights, medical equipment (CPAP# devices and nebulisers), TVs and mini-fridges.

### Recharge anywhere

Can be charged via solar panel (not provided), 12V car outlet or mains power outlet.

### Ultra-safe lithium ion battery

The quality lithium ion cells are monitored by a state of the art Battery Management System that prevents over-charge, over-current, over-heating and short-circuiting.

## All Purpose 450 specifications

Type	Portable Power Station w/ Bluetooth® wireless speaker
Weight	5.9 kg
Size	295 x 155 x 220mm
Capacity	450Wh (3.6V/124,800 mAh)
Battery Cell	18650 lithium ion
AC Output	2x 220-240V/50Hz, pure sine wave Total 300W, peak 600W
DC Output	1x DC auto outlet 9-12.6V/10A 3x DC jacks 9-12.6V/5A, total max 10A
USB-A Ports	1x Quick Charge 3.0 5V/3A-9V/2A-12V/1.5A 2x 5V/2.4A
USB-C Port	1x 60W, 5V/9V/12V/15V/20V
Input	19V/4.5A by DC adapter 14-25V, max 100W by solar, with built-in MPPT
Speaker	Bluetooth® 4.0, 10W
Light	5W LED, multi-mode
Material	Aluminium alloy, ABS plastic and polycarbonate
Certificates	CE/RoHS/Reach/MSDS/UN38.3/RCM
